

Jaycee Jamboree 2010

What To Bring to Camp

Recommended Clothing

Campers should arrive dressed for outdoor activities. Clothing requirements may change somewhat from day to day based on the nature of activities. A weekly itinerary is posted online at http://www.greenvillenc.gov/departments/rec_parks_dept/information/default.aspx?id=6280. **Please label clothing, towels and all personal items with the child's last name.**

Water Bottle

Please send your child with a water bottle each day, labeled with your child's last name.

Lunch

Each child should bring a sack lunch with his/her name on it each camp day. **Microwaves & refrigerators are not available.** *Lunch will be provided on July 21 at the Kinston Indians game.*

Snacks

Snacks are not provided. Participants should bring their own snack if they choose to have one during the camp day. If your child is in extended care you are strongly encouraged to provide a snack for your child. Please inform the camp director by note if there are any foods or drinks your child should not consume.

Sun Block

Many activities will take place outdoors. We recommend applying sun block on your child prior to arrival and sending sunscreen so that your child can reapply as needed.

Swimming Gear

Please pack a swimsuit and towel for your child on days that water activities will take place. These days include most Mondays, Wednesdays, and Fridays for swimming as well as other days during the summer when the campers go to West Water Park or take part in water games. Please provide a plastic bag in which to store the wet swimsuit and towel. One-piece suits are preferred for girls. A pair of flip flops or shower shoes is recommended for use around the pool and for water games.

Gym Bag/Backpack

A backpack or something similar is recommended for your child's belongings. Please label with your child's last name.

Money/Items of Value

Personal equipment such as cell phones, Ipods, mp3 players, CD players and hand held electronic games should not be brought to camp. Also, the camp staff can assume no responsibility for the safeguarding of money and/or personal electronics. Children should leave all sentimental, monetary or items of personal value at home (i.e., electronics, toys, etc.).

If necessary, the camp staff reserves the right to search a child's belongings (with another staff member present) for the safety of the child as well as the other participants. A parent will be notified if a search is completed.
